

ATIENA *handbag*

Meet Atiena — the guardian of the night. This striking black leather bag was born to move through the shadows with grace and power. Its sleek silhouette is accented by a bold, sculptural sling that wraps across the body like armor, making a fierce statement wherever it goes. Atiena doesn't whisper, it speaks — in bold lines, in confident curves, in every carefully chosen detail. This is not just a bag; it's a presence.

Named after the Swahili word Atiena, meaning "guardian of the night," this piece was designed for those who come alive after dark — the dreamers, the creators, the quiet protectors of their own story. Whether worn to a midnight gallery opening or carried into an intimate late-night meeting, Atiena stands tall — elegant, mysterious, and unshakably strong. It's a symbol of protection, power, and undeniable style.
