ZURI *handbag*

Zuri is a given name of Swahili origin meaning “beautiful”. The Zuri is a masterpiece of craftsmanship, blending sophistication with bold design. Made from two distinct types of leather—one richly textured and the other irresistibly smooth—this bag offers a striking contrast that enhances its luxurious appeal.

Intricate braiding and precision-cut patterns create a mesmerizing interplay of depth and detail, making Zuri a true work of art. Designed for those who appreciate timeless elegance with a modern edge, this bag is not just an accessory—it’s a statement.
